At Blvd. CAFE!, catering is all we do!

We bring clients original catering for every taste--perfectly presented, delicious flavors--by offering innovative and creative excellence in catering and event design solutions; fun or formal, large or small, in any theme or style requested...

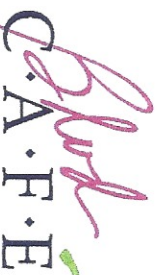

Through our involvement with the International Caterers Association, we are connected to the heartbeat of the industry so we receive and share the latest and greatest in the art and science of catering education...ideas, techniques, news, recipes and so much more... so that Blvd. CAFE! is always sure to delight guests!

As your professional catering team, it's our job to: create "WOW" parties; bring your ideas to life and offer one-of-a-kind catered affairs; handle the details for you and, assure you a successful and fabulous catering experience. From ideas to catering production to specialty design offerings, we are ready to help. So please contact us to discuss your party, meeting or training needs, or event plans of any type and evaluate our expertise:
